

Welcome to the 1st International

TROGSS Congress

Technology and Education

July 8-10, 2026

ECCL European Convention Center, **Luxembourg**

Join robotic surgery professionals, educators and innovators from across the globe in the vibrant city of Luxembourg for three transformative days of cutting-edge science, skill building and global networking.

EVENT HIGHLIGHTS

July 8 - Pre Congress Course

- Live robotic surgery session performed by world renowned experts
- Real-time discussions
- Interactive discussions and hands on training
- Endoscopic hands on course

July 9 - 10 Main Congress

- Keynote lectures by leading international speakers

Topics include:

- Surgical innovation
- Training models in robotic surgery
- Clinical outcomes
- Future directions in robotic and minimally invasive surgery

WHY ATTEND?

- Witness cutting-edge robotic techniques
- Learn from global leaders in surgery
- Gain insights into the future of surgical education
- Network with top minds in robotic surgery
- Be part of a landmark international event

Call for Videos!

Submit your high-quality surgical videos for a chance to win the **"Best Video Award"**
A platform to showcase your skills to the global robotic surgical community!

Congress Honorary President *Juan Santiago Azagra*
Congress President *Beniamino Pascotto*
TROGSS President *Adel Abou-Mrad*
TROGSS CEO *Rodolfo J. Oviedo*
